

Tara and Tyrone books

Introducing the Tara and Tyrone children's books written by Emmy Coates and illustrated by Jake Coates. They are fictional stories following Tara the tandem and her trusty friend Tyrone the trailer (based on Emmy and Jake's fundraising cycle across Europe in June 2016).

They are ideal for children aged 3-7 years but we are assured they are appreciated by much wider audiences from ages 1- 92! To read more of Emmy's story please visit www.mollivers.com/. We fundraised for The Royal Marsden Hospital where Emmy was treated from March 2016 until she passed away 15 months later in June 2017. They are the most amazing institution and it is an honour to raise money for them. As such 10% of the sale price from everything sold at Mollivers (including the books) continues to be donated to this wonderful Hospital.

Emmy and I were given the greatest honour by being given awards for both the Justgiving fundraising team of the year 2016 and Pride of Britain fundraisers of the year 2017.

I will be visiting the school to visit the children in 2018 to do some book readings and illustration sessions. If you would like to order all or any of these books please fill out the form below with the number of each book you would like in each box. Thank you.
